**NAME:** Diamond

**AGE:** 11 Years Young

**LIKES:** Affection, being social, long walks, comfy beds, greasy treats

**LOOKING FOR:** active family needing loving and adoring friend

**Hi, I'm Diamond!**

I'm an 11 yr old, female, Husky Mix. After being relinquished at a shelter, my prospects didn't look so hot considering I'm a mature pup. Never-mind that I'm quiet, and keep my manners when people and other dogs pass by, or that I'm gentle and kind, or that I'm just an all-around relaxed and confident gal! Lucky for me my friends at EZ Heart & Soul Rescue saw my potential and offered me a safe and loving 2nd chance. Phew, because despite my age, I still loooovvvee my long walks, day, night, rain or shine, these paws were made for walkin' and that's what I do! So if you are seeking a calm, sweet, adoring, yet wise pup who is still invested in an active lifestyle, let plan that next hike together! I'm a master on leash, and I'm still easy on the eyes, if I do say so myself!
