Hi, I'm MAGIC!

I'm a 5 year old male Lab Mix. My friends at the rescue tell me I have that certain "it" factor to be the next big thing! I'm outgoing, open minded, love walks, fun play, I'm great with older kids, and most dogs! And shucks, my sweet nature has a way with ladies; I've even been known make a chick putty in my paws. Still, this stud needs a great home before I join the ranks of "A"-lister's. Driven to be a success, I'm fast at learning proper behavior and very eager to become your new responsible family member. To maintain my star-quality, I'll thrive in a home with a family that enjoys an active and social lifestyle! If you're up for the fun, this upcoming PEOPLE'S "50 Most Beautiful Mutts" is the one for you! Plus, I might let you head up my fan page! Hollywood is calling, so hurry up so we can take over Tinsel Town together.
