"Hi, my name is Carlitos! I'm a 4 year Old, Pitbull Terrier Mix. OMG, I am thrilled to be leading the pack as the expert sniffer in hopes of becoming the rescues very own pet detective! As a puppy, I began to lose my eyesight, & so I developed an innate sense of taste, my tracking is nothing short of impressive, & my hearing can detect objects with such precision, I have been known to catch a ball without seeing it coming. Also, my gregarious natures makes for great company on walks, over a great movie, or even a dunk in the pool. So while I may not see so well with my eyes, I see you with my heart, & I'll map out our home quickly. Plus, I'm young & smart enough for more training, which your sponsorship will help facilitate, for now, I'm still able to get to the bottom of just about any case!"
