

JULY & AUGUST 2015

Meet EZ Heart & Soul Rescue's Adoptables!

Magic

Hi, I'm Magic! I'm a 5 year old male Lab Mix. People say I have that certain "it" factor to be the next big thing! I'm outgoing, open minded, love walks, fun play, I'm great with older kids, and most dogs! To maintain my star-quality, I'll thrive in a home with a family that enjoys an active and social lifestyle! If you're up for the fun, this upcoming PEOPLE'S "50 Most Beautiful Mutts" is the one for you!

Mojito

Hi, I'm Mojito! I'm a 7 yr old male Pitbull. People say I'm a Casanova: I have swagger, I'm mysterious, and the ladies can't get enough of me. I'm an expert at long naps, and slow walks. Plus, I'm affectionate, dote on my friends, and I've been told I'm the perfect pup to sit back with and unwind the day away. Really, I'm that cool! Don't be shady and deny my love! Let's kick it for the rest of our days!

India

Hi, I'm India! I'm a female 5 yr old Doberman Pinscher. A legs for days beauty, I'm a blue ribbon dog in the making! Always in a constant state of glee, I'm house broken, fetch with enthusiasm, shake like a lady, sit with class, and walk like a dream. Great on leash, I'm a paw-in as an all-star running mate. Still, I'd forgo the ribbon if it meant a one way ticket to a loving home to be your best in show!

Chloe

Hi, I'm Chloe! I'm a female 9 year old Collie/German Shepherd Mix. Your search stops here: c'mon, look at me! My build is perfection, my face is undeniably the most beautiful you've seen in your life, and my personality is magnetic. I bark when I'm supposed to, play 'til the break of dawn, my walks are calm cool and collected, and I give kisses and love in abundance. Seriously, what are you doing still reading this?

Cinnamon

Hi, I'm Cinnamon I'm a 14 year old Shepherd mix. You guessed it, they coined the term "Super Model" for me! I modeled for the best of them: these days though, I'll never turn away a lovely walk, but, I'm happy laying back in a nice grassy yard by day, and enjoy ending the day relaxing to a good bowl of water with company. In the end, I'm always up for the perfect picture, a peaceful forever home would be my very best shot, paws down!

Sponsor Mozart!

Due to advancement in age, special medical requirements or behavior issues, many of our dogs will remain in sanctuary. Through your sponsorship, you can to get know a particular dog, follow his/her progress at the rescue, and choose to sponsor his/her medical or behavior rehabilitation. **Meet Mozart!** He is a mature dog whose medical disposition requires the use of a wheel chair, special diet, and regular medication. *If you elect to sponsor one of our dogs like Mozart, visit our website www.ezheartandsoulrescue.com and make a monetary donation on-line & sponsor a dog today!* We will follow up with you with regarding the dog you choose to sponsor, and send you updates on their activities and progress.
